TALK OF THE TOWN

New silk waists special at Vaughan's. Auction to-night, Kenyon store, balance stock must be closed at once. D. A. Perry, auctioneer.

Mr. and Mrs. L. R. Hutchinson of Wellington street returned to the city last evening, after passing two weeks in Boston, New York and Washington, D. C.

Mr. and Mrs. Stephen Gupit are planning to go to Waterbury in the near future to live on a large farm owned by the former's father. Mr. Gupit has been in the employ of Smith & Cummings.

Letters received in Barre recently announce the safe arrival in Los Angeles, Cal., of Mr. and Mrs. John Stewart, formerly of Central street, this city, who left Barre late in December for the Pacific coast. En route Mr. and Mrs. Stewart visited friends in several large cities. They are very comfortably situated in Los Angeles, the letters say.

Miss Edith Coburn Noyes of the Noyes School of Expression will read "She Stoops to Conquer" in Howland hall on Tuesday evening, Feb. 8. The Barre Woman's club is very fortunate in securing Miss Noyes, who has already proved her popularity with Barre audiences, having read here twice before. Admission, 25c.

Clerk F. S. Platt of the United States court, who was in the city last evening to hear applicants for naturalization papers of the first and second class, closed his duties in the capital to-day and will leave this evening for Hardwick, where a large class of candidates is to be heard. From Hardwick the clerk and his assistants will go to St. Johnsbury. It is doubtful whether there will be another session of court in Barre before spring.

Mrs. J. H. Moody, who has been passing several weeks in the city as a guest in the home of Dr. and Mrs. W. D. Reid of South Main street, left Barre late yesterday afternoon for her home in Toronto, Ont. She was accompanied by Mrs. Reid and daughter, Miss Christina G. Reid, who expect to pass a month in Toronto and vicinity. Allan Reid, who has been passing two weeks here since coming east from Cleveland, O., also accompanied the party to Toronto.

Nathan Harrington, a South Barre Civil war veteran, recalls a spell of "January" weather very similar to the warm season that has had its abiding place in Vermont these last two weeks. It was 25 years ago and outdoor conditions, as he recalls them, were quite as springlike as any winter days he had ever seen. In that period the gripple, or Russian gripple, as it was popularly known, made its first appearance in this section, and many people were affected by the malady. There were a few deaths.

Barre motorists, who many times have passed the historic pine tree on the outskirts of St. Johnsbury while en route to the White mountains and elsewhere, will be interested in the following item from an exchange: "The Old Pine, St. Johnsbury's historic landmark, for which the Old Pine Golf club was named, was blown down in a recent heavy windstorm. Its towering peak was visible from many approaches to the town and it was for more than 100 years the most distinguished tree in St. Johnsbury."

Joseph Bennett, who was arrested yesterday on a complaint charging him with having furnished intoxicating liquor illegally, appeared before Magistrate H. W. Scott in the afternoon and entered a plea of not guilty. The case was continued until Saturday morning, when the respondent, at his own request, will be given a court hearing. Being unable to furnish bail of \$500 asked by the magistrate, Bennett was remanded last evening to the county jail to await his second appearance. The man's arrest grew out of a disclosure made by an habitual drunkard in city court Tuesday forenoon. Bennett strenuously denied any association with the man who disclosed.

A delightful entertainment was given at the Congregational church last evening, consisting of readings by Miss Agnes O. Hersey of Bangor, Me., and musical numbers by local talent. Miss Hersey's selections proved her ability as a reader along the line of pathetic, humorous and dialect readings, all of which were much enjoyed. Four of the numbers were with a piano accompaniment by Mrs. E. J. Batchelder and for her closing reading she made a very happy selection, "Josiah Allen's Wife on Bringing Up Children," and responded to an encore with a description by Josiah's wife of her married life and the way she was bringing up Josiah. Every reading brought forth merited applause and it is to be hoped that a Barre audience may again be favored with an entertainment by Miss Hersey. Assisting in the program were Miss Blanche Spaulding and Mrs. E. J. Batchelder, whose piano duets were greatly enjoyed, and Miss Katherine Young and Fred Ingalls, whose vocal solos added much to the enjoyment of the evening.

RENFREW DEVONSHIRE CLOTH

TUB PROOF and SUN PROOF

Silks

A beautiful lot of new Yard-Wide Silks. These are all very best Silks, with colors fast. A little later colors of all kinds of goods will be questionable. No manufacturer will dare to warrant all colors this season, this on account of shortage in German dyes.

Before this season is past, you will have more trouble with fading colors than you have had altogether in the past ten years.

Goods that you buy now will be all right. We know what will be coming later, so speak of it now, that you will know what to expect.

Beautiful lot of new Wash Silks, so much used for waists.

New Pussy Willow Silks at \$1.75 per yard.

New Yard-Wide Messalines that later will be \$1.25, now in fast colors at \$1.00 per yard.

Chiffon Taffetas will be good—yes, very good—these, in fine quality, at \$1.25 per yard.

See our Silk window for latest Novelties.

New Wash Goods

Lots of kinds here that we cannot get the second order of to sell at these prices.

Our Endurance Cloth in all colors is one of our best at the price—12½c. This later will, in part of the colors, have to be 15c or more.

Renfrew Devonshire Cloth, 32 inches wide, at 18c per yard, is one of our very best. Send for samples.

Marvel Cloth—This is new; is a plain poplin effect. Comes in all colors, such as Pink, Rose, Copenhagen, Light Blue, Medium Blue, Tan, Lavender, and White, and sells at 15c per yard.

We have a nice assortment of Figured and Stripe Voiles. These are very pretty. They make some of our most stylish dresses, made up with fine laces. There is nothing better.

You can order any of these goods by mail. We pay the parcel post. You will like this way of shopping. Try it once.

These Are Interesting Values

We are putting prices on what we have left in winter merchandise to clean them up in the next few weeks. While you have three good winter months to wear winter garments, we must clean up just such merchandise to make room for our spring stocks, which we must have here when you want them.

The prices we are putting on a lot of suits should appeal to those who want warm clothes to finish out the season. Many of them are all right for spring wear, but we must turn them into money to pay our spring stock.

At \$6.98 are a few odd Suits in qualities that are good, and the styles are not so much different than the new spring models.

At \$9.98 are about 20 Suits in plain colors, such as Poplins, Gabardines, and Mixtures. Are qualities that sold at from \$18.00 to \$25.00 and were good values at those prices. Now only \$9.98.

Ladies' Warm Coats

We have a couple of racks of odd Coats that we are putting out at prices that will be interesting to any who want a good warm Coat for the rest of the season.

These Coats are mostly in medium sizes. Are Coats that are made in the season's best styles from cloths that are made for service.

At \$3.98 are a few odd garments in qualities that sold for \$18.00.

At \$4.98 are a few odd Coat values that are worth four times the price asked.

At one-half price are a lot of odd Coats in qualities and styles that are the season's best. Are Coats that sold at from \$10.00 to \$25.00 and were extra good values. Now to close at from \$5.00 to \$12.50. If you want a good garment, see these values.

We have a few odd Coats of our latest models, that we cannot duplicate, that we are closing at much less than the regular prices.

CHILDREN'S SPRING DRESSES should interest any who have children to sew for, as here is a line of Dresses that are made from the finest of materials, in style and workmanship that are the best.

The Dresses that we are selling for \$1.00 are real values. The goods alone would cost nearly that amount, and they are made and finished as you would make them yourself.

We have a Dress that we are selling at \$1.50, that is surely worth much more in these Dress models. In sizes from 6 to 14 years.

Commander John W. Averill of R. B. Crandall post, No. 66, G. A. R., is in receipt of a letter from Congressman Frank L. Greene of the first congressional district advising the Barre veterans that it will be impossible for him to accept an invitation to be the Memorial day speaker in this city next May. Congressman Greene states that a previous invitation has precedence over the Barre invitation, although he is uncertain as to whether he can fill any speaking engagements in Vermont around Memorial day. Crandall post has no other speaker immediately in view, although an effort to secure someone for the observance in Barre is to be made at once.

THE INVADERS REPULSED.

Vincitia Club Came Back from Montpelier with Many Casualties.

The second of a series of four tournaments in billiards, pool and whist, which is being held between Vincitia club of Barre and Apollo club of Montpelier, was played last night at the rooms of the Apollo club. In the first tournament, held in this city some time ago, Vincitia club won all three branches of the contest and held a lead of six points toward the winter total. They were not so fortunate last evening, however, for Apollo club won everything in pool, lost only once in billiards, and held the visitors down to a one-point margin in whist. The total results of the contest were 13 to 5 in favor of Apollo club, which gives them a lead of two points on the series.
